MEHRAN UNIVERSITY OF ENGINEERING & TECHNOLOGY;
SHAHEED ZULFIQUAR ALI BHUTTO CAMPUS, KHAIRPUR MIR'S

INTERNSHIP SURVEY FORM
(To be filled by Employer for Internee- after the completion of Internship)

The purpose of this survey is to obtain employers' feedback for internee during internship on the quality of education. To assess the quality of Program, your Cooperation is requested in completing this survey form.

1. Student Data

Particular of student	Name	Jahangeer Badar			
	Roll No	K-22ES017			
	Department	Electronic Engineering			
Period of Internship	From	18-06-26	To	19-07-26	
Placement during internship	AutoCon Engineering, Karachi				
job description during internship	learned PLC programming, HMI interface Design and VFD configuration for industrial automation and motor control systems.				

2. Feeback of student during internship

Please select the most appropriate score based on your agreement with the given statement.

Description	Not Applicable	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
	0	1	2	3	4	5
KNOWLEGDGE						
The student has adequate knowledge of Mathematics, Basic science, and engineering.					✓	
The student has sufficient relevant knowledge for analyzing/formulating the engineering problems.						✓
The student has relevant engineering knowledge for problem solving.						✓
The student has the ability to investigate the engineering problems systemically.						
The student has ability to use modern tool and techniques					✓	
The student has ability to understand and identify influence of engineering					✓	

applications/ solutions in society.						
The student has sufficient knowledge of science and engineering to understand and solve the issues in context of environment for sustainability.						
PROFESSIONAL SKILLS						
The student has ability to understand and apply the professional ethics in engineering practice.					✓	
The student has the ability to perform effective work individually and/or in teams in multi dimensions.					✓	
The student has the capability to communicate in verbal and written effectively.						✓
The student has the skills to apply engineering principles for effective projects management in multi dimensions.					✓	
The student has the ability to identify significance of and practice lifelong learning related to technological advancement.						✓

Additional Remarks (including strengths and weakness of the internee, if any):

The student is purely sincere to his career and CD and self motivated for his career as well as organizations growth -

3. Details of Reporting officer

Organization	Autocon
Reporting officer	Mumtaz Mangi
Designation	Senior Automation Engineer
Contact No.	03343268777
Email	MUMTAZMANGI08@GMAIL.COM
Signature	
Stamp	
Date	19-Feb-2026

The ORIC section of MUET, SZAB Campus, Khairpur Mir's would like to thank for your willingness in spending time to complete this survey form. After Completing the form, please send the form to Focal person ORIC, MUET SZAB Campus Khairpur Mir's via email oric@muetkhp.edu.pk or by post.
